The Eva is a two-story plan with 3,579 heated square feet, four bedrooms, four full baths and a 2-car garage. The main level places the primary bedroom, with its own bath and walk-in closet, beside a family room open to the kitchen and dining area, and a covered rear porch that can be screened. A second bedroom, mud area and laundry sit off the two-story foyer. Upstairs, two more bedrooms share the floor with a study, a recreation room and a pocket office.
