The Mia is a two-story plan with 3,869 heated square feet, four bedrooms, three full and two half baths, and a 2-car garage. From the front porch and foyer, the main level opens to a great room, a kitchen with island and pantry, and a dining area leading to the covered rear porch. The primary bedroom, primary bath and walk-in closet occupy one side of the floor, with a study near the entry, a powder room and laundry.
